LIVE *life* INNOVATIVELY

Art and design both have their own identity and do not coexist without each other.

SIMAS Sanitaryware presents the marriage of form, design and art in its creations, rooted in interpretations of beauty and artistic expression.

The company presents a qualitative leap in innovation with its magnificent array of Italian sanitary-ware products including tabletops, pedestals, countertops, closets, cisterns, wash basins, and the like. The minimalist design blended with motifs of elegance enhances the brand with meaning.

With life ruled by innovation and grace, you are already looking at your new and improved lifestyle!

THE LIVING LIFE CLASSIC NEO COLLECTION

The New Classic Neo Collection is adapted suitably to meet the needs of the avant-garde bathroom. The squared-off and round contours are inspired by the minimalist brand with simplicity and practicality deeply blended into the collection. They can get in with any setting, weaving together past and present, tradition and design.
